

Technical Data

TOTAL SERVICE SERIES

PX 2 FAST 2T

Product Description

PX 2 FAST 2T synthetic blend motorcycle oil is an advanced synthetic blend two stroke motorcycle oil that is formulated from highly refined base oils with synthetic component and a low ash additive package to provide excellent low smoke engine performance.

PX 2 FAST 2T synthetic blend motorcycle oil may be used in premix with gasoline or oil injection systems. It is specifically formulated for higher temperature applications such as air-cooled two cycle motorcycle engines. It contains special detergents that offer excellent protection against ring sticking, spark plug fouling and minimizes exhaust port blockage.

Applications/ Benefits

- Protects engine against mechanical & thermal breakdown
- Minimises spark plug and engine deposits
- Low smoke
- Prevents spark plug fouling
- Extends engine Life

Typical Characteristics

Test Description	Result
Specific Gravity @ 15 0 C	0.853
Flash Point, Deg. C	>120
Pour Point, Deg. C	-39
@ 40C (cSt)	40.4
@ 100 0 C (cSt)	7.26
Viscosity Index	145
Colour	Light Red

Specifications

- API: TC
- JASO: FD
- ISO L-E GD
