PX DIESEL INJECTOR CLEANER

Product Description

PX Diesel Injector Cleaner is a multi-functional Diesel fuel additive that keeps engines clean for higher efficiency and lower fuel consumption. Formulated with new and advanced technology additive package to provide excellent injector cleanliness for all types of diesel engines. PX Diesel Injector Cleaner is suitable for diesel engines with aftermarket devices such as Diesel Particulate Filters.

Applications/ Benefits

- Maximum power, improve cold start and minimize engine noise
- Prolong engine life
- Enhanced corrosion protection
- Has water shedding properties to prevent emulsion at the fuel-water interface
- Suitable for all diesel fuel including bio-diesel

Typical Characteristics

Test Description	Result
Appearance	Light Pale Yellow Liquid
Flash Point (°C)	63.5 °C
Gravity	0.82 typical
Pour Point	-18 °C typical
Distillation I.B.P. °C F.B.P. °C	ASTM D86 170 360
Recommended treat rate	500g in 140L of Diesel
