PX GEAR OIL LSD 90

Product Description

PX Gear Oil LSD 90 is a high performance gear lubricant containing extreme pressure additives and special friction modifiers.

Applications/ Benefits

PX Gear Oil LSD 90 has been developed for car and commercial vehicles fitted with limited slip differentials. This product is also suitable for particular tractor and construction equipment requiring an SAE 90 gear lubricant. PX Gear Oil LSD 90 contains sophisticated EP additives providing excellent wear protection in vehicles operating under severe stress and high temperatures. It may also be used as a high performance substitute for SAE 90 when used in hypoid and spiral bevel gears.
