TOTAL SERVICE SERIES

PX STANDARD DEGREASER RED

Product Description

PX Standard Degreaser is a highly caustic industrial strength cleaner and degreaser for removing oil and grease from floors and walls. It can be used as spray on, brush on and hose off or with pressure washing machines.

PX Standard Degreaser is formulated with surfactants and wetting agents combined with a caustic solution to provide an excellent penetration and softening the greasy surfaces for effective cleaning results.

Applications/ Benefits

- Water soluble industrial strength cleaner/degreaser
- Remove grease, grime, oil and wax on floors and walls.

Directions for use

- Spray on or brush. Apply evenly to surfaces to be cleaned. Allow to stand for 5 min then rinse.
- Concrete cleaning. Apply to concrete and allow 2/3 minutes to soak in. Scrub with broom and then rinse off with water.

Recommended dilution rates

- General cleaning: Dilute 1 to 50
- Pressure wash machines: Dilute 1 to 50
- Floor polish stripping: Dilute 1 to 5
- Heavy duty degreaser: Dilute 1 to 5
- Industrial strength concrete cleaner Dilute 1 to 5

Note: Product contains high strength caustic solution, hence it is classified as corrosive. Proper PPE must be worn and must read the SDS prior handling the product.

Typical Characteristics

Properties	Specification
Appearance	Red
pH	12-12.5
Specific Gravity	0.98 – 1.02 typical
